

Visitor COVID-19 Vaccination Disclosure and Attestation

All visitors entering space occupied by Oncology Nursing Society, Oncology Nursing Certification Corporation and/or Oncology Nursing Foundation (hereafter collectively ONS Enterprise or ONSE) and remaining for 15 minutes or longer must complete the Visitor COVID-19 Vaccination Disclosure and Attestation prior to entry.

Effective November 1, 2021 all persons 16 years of age or older entering ONSE office space for a duration of 15 minutes or longer must be fully vaccinated or have an appropriate exemption as defined below. Fully vaccinated is defined as two weeks after receiving the second dose of the Pfizer or Moderna vaccine or two weeks after receiving the J&J vaccine. Booster shots are not required to be considered fully vaccinated.

Each individual must complete a separate attestation. Failure to complete the attestation will result in denial of entry into ONSE space.

Attestation

Name: _____

Date(s) of visit: _____

I, _____, attest that I am fully vaccinated.

OR

I, _____, attest that I have a medical or religious exemption from being vaccinated for COVID-19. As such I agree to wear a mask at all times except to eat or drink at which times I will maintain 6 feet physical distance from all other individuals.
